

## **Liability Waiver**

I hereby confirm that I am the legal parent or guardian of the registered child(ren). I understand that Borderland Cheer and Dance is an independent organization and is not directly sponsored by the school district it serves. Should the specified program membership be less than 10 members, Borderland Cheer and Dance may choose to suspend classes. By registering for a Borderland Cheer and Dance team, I give permission for the enrolled child to participate in all group activities, practices and performances associated with specified team.

A physical examination by the child's physician is recommended and encouraged for children participating in athletic programs. I affirm that my child has been seen by a physician in the last year and is in reasonably good health and has no disability, impairment, injury, disease or ailment preventing him/her from engaging in athletic activities or which would cause increased risk of injury or adverse health consequences as a result of participation in Borderland Cheer and Dance exercises/activities.

I agree to release and hold harmless Borderland Cheer and Dance staff, officials and the school districts from any and all liability arising out of or connected with all group activities, practices and performances. This includes any claim arising out of or connected with any personal illness or injury (minimal, serious, catastrophic and/or death), property damage or loss that may result from my registered child's participation. As with any group sport, I acknowledge and agree that participation subjects the registered child to the possibility of physical illness or injury (minimal, serious, catastrophic and/or death) and that the registered child is assuming the risk of such illness or injury by participating.

I and my child have read, understand and agree to the Member/Parent Information and Team Standards. I will encourage my child to always follow these team standards to the best of his/her ability.

I give permission for the enrolled child(ren) to be photographed/videoed by the Organization's staff, event officials and/or coaches during practices/performances/events. I understand that these images/videos may be used in print and digital platforms (such as: Borderland Cheer and Dance website and social media pages) for displays, marketing and promotional purposes.
